To qualify for the \$250 checking bonus, open a new Fifth Third Essential, Enhanced, Preferred, Free (where available) or Free Checking plus Extra Time[®] (where available) checking account by 12/31/20 and make direct deposits totaling \$1,000 or more within 60 days of account opening. The \$250 checking bonus does not require any additional activities. To get the additional \$250 bonus, you must meet the requirements above and increase your total deposit balances by \$15,000 within 45 days of account opening and then maintain that increased balance as a minimum daily balance for 90 days. Total deposit balances are defined as your total checking, savings and/or CD balances and the increased balance may be in any of these accounts. A qualifying Direct Deposit is an Automated Clearing House (ACH) credit, which may include payroll, pension or government payments (such as Social Security). The cash bonuses will be deposited into the checking account within 10 business days after qualifying activities are met. In order to receive the cash bonus, your checking account must be open and in good standing. Offer is not available to existing Fifth Third checking customers, or those with a Fifth Third checking account that closed within the last 12 months. Bank reserves the right to limit each customer to one new account-related gift incentive per calendar year. Eligibility may be limited based on your account type and ownership role. Account must be funded within 45 days of account opening. No minimum deposit required to open a checking account. Accounts may have fees that may reduce earnings and impact the ability to meet minimum daily balance requirements. Bonus may be taxable as interest income and reported on IRS Form 1099-INT. Consult your tax advisor. **UNIQUE OFFER CODE MUST BE PRESENTED AT ACCOUNT OPENING TO RECEIVE THE BONUS.** See your banker for details. Not valid with any other offer.
